Mrs. C. Wells Rites Slated

Last rites will be held Tuesday at 2 p.m. at Stone and Myers Chapel for Mrs. Carrie Wells, 63, a resident of the Keystone area for 30 years, who died Thursday at her home, 2254 S. Vermont Ave., after a long illness.

She is survived by her husband, Charles L. Wells, who operates a barber shop at 1654 W. Carson St.; two sons, Charles R. and Kenneth Wells; and a daughter, Helen Person, 1552 W. 219th St.

Services will be conducted by the Rev. John Taylor of the First Methodist Church, and interment has not yet been arranged.

New Furniture Store Owners Fete Opening

Lenny Mills and Jerry Baldwin, co-owners of the new Torrance Furniture Co. at 1255 Sartori Ave., are celebrating their pre-Grand Opening by giving away a Roth's Market Quality 20-pound turkey every shopping day until New Year's Day, they announced this week.

Customers may get details of the celebration at the store tomorrow.

Blood Greatest Gift of All, Says Chairman

"The greatest gift of all" can be added to everyone's Christmas list, and costs nothing, Mrs. Gordon Jones, blood recruitment chairman for Torrance Branch, American Red Cross, said this week.

"It's a gift from the heart—a pint of blood—that can be laid away now and delivered to someone sick or injured during the Christmas holidays," Mrs. Jones said, pointing out that accident, sickness, and disease do not observe holidays.

"Most of us will be caught in the Christmas rush, and we may forget for awhile that during the holidays there will be just as much hospitalized patients needing just as much blood as at any other time of the year."

"The lay-away plan makes it possible for all of us to make blood gifts now while we have time, to be given to someone later whose only Christmas wish will be to stay alive," Mrs. Jones said.

The chairman suggested that we make our first shopping trip a visit to the Blood Center at 1130 S. Vermont Ave. or to the nearest community bloodmobile operation. A bloodmobile will be at the Long Beach chapter, 219 W. Broadway, next Tuesday from 3 to 7:30 p.m., she stated.

Interested donors also may pledge their pint to the Feb. 8, 1954 blood bank, which will be located at the Torrance Civic Auditorium. Pledges may be made by calling FA194-6-510.

Northrop Employee Gets Gold Pin for 10 Years

Earl F. Spaniol, 813 Border Ave., has been presented with a gold pin in recognition of ten years' service with Northrop Aircraft, Inc., Hawthorne, according to announcement by John B. Clark, Northrop industrial relations director.

In his position at Northrop, Spaniol is participating in the current company program of producing Scorpion F-89 long-range all-weather interceptors for the U. S. Air Force. He also played an active part during the development of the famed Northrop Flying Wings and in the World War II production of the Black Widow F-61 (P-61) night fighters.

Man's Debt to God of Joy Lesson-Sermon

Thanksgiving Day services will be held in all branches of the Mother Church, the First Church of Christ, in Boston, with the Torrance branch services slated for 11 a.m.

The services will include the reading of the Thanksgiving Proclamation of the President of the United States, or of the Governor of our State, or both.

Man's debt to God of joy and gratitude is emphasized in the Lesson-Sermon. The Golden Text from Revelation 7: 12 reads, "Blessing, and glory, and thanksgiving, and honor, and power, and might, be unto our God for ever and ever."

In a Scriptural citation, the Psalmist sings (107: 8, 9), "Oh that men would praise the Lord for his goodness, and for his wonderful works to the children of men! For he satisfied the longing soul, and filleth the hungry soul with goodness."

"Are we really grateful for the good already received?" questioned Mary Baker Eddy in her "Science and Health with Key to the Scriptures." She continued, "Then we shall avail ourselves of the blessings we have, and thus be fitted to receive more. Gratitude is much more than a verbal expression of thanks. Action expresses more gratitude than speech." (p. 3).

Riviera Tanks Approved, Sent On to Council

A variance to allow construction of two water tanks in Hollywood Riviera by the California Water Service Co., will be passed on by the City Council here Tuesday evening. The Planning Commission recommended that the variance be approved at its meeting last Wednesday night.

The application of the water company for the tanks was given the green light by the city planners after the firm agreed to pay for landscaping of the site. The landscaper will be selected by the city, which also will reserve the right to pass on the plans for dressing up the property.

Residents of the area have opposed the plan to construct the two steel tanks in the area on the grounds that the tanks would be eyesores. Homeowners in the area suggested that the storage tanks be placed underground, but the firm said it would be impractical.

The third and final hearing on the matter is due at Tuesday's Council session in the City Hall.
